### **Working Minds Campaign Launched**

How to recognise and respond to signs of stress. [Working Minds - Work Right to keep Britain safe \(campaign.gov.uk\)](https://www.workingminds.gov.uk/)

### **Driving and Riding Safety [Driving and riding safely for work - HSE](#)**

For most people, driving or riding will be the most dangerous work activity they do. Around one third of all road traffic collisions (RTCs) in Britain involve someone driving or riding as part of their job and countless other RTCs involve people travelling to or from their workplace.
