

20th April 2022

Dear Member,

**Call for Nominations of Candidates for Executive Committee of
IOSH Hong Kong for 2022/2023**

In accordance with the Memorandum and Articles of Association of the Hong Kong Branch, we are required to call for nominations for candidates to fill the soon-to-be-vacant posts in the Executive Committee (EC) of IOSH Hong Kong for the term of office in 2022/2023.

You are invited to nominate suitable candidate(s) for the election of EC members for the term of office in 2022/2023. The nominees must be the Corporate Members who are in good standing (*i.e. with IOSH CPD record updated*) and committed to voluntarily contributing their time and effort to work within a designated portfolio. **Please note that failure to meet a good standing check will result in not being allowed to sit for the election.**

If the number of candidates, after the close of nominations, is more than the number of vacant positions, online voting will be conducted by the Corporate Members according to the constitutions of the Branch. According to the current Strategy Plan of the Branch, the elected EC members shall be registered as Directors of The Institution of Occupational Safety and Health (Hong Kong) Limited without remuneration.

The nomination must be proposed and seconded by two Corporate Members who are in good standing respectively. The duly completed nomination form and the candidate's election statement shall be emailed or faxed to the Administrative Officer of the Branch on or before **Wednesday, 11th May 2022.**

Yours Sincerely,
