- **Team Implementation Plans**

# HSE's new strategy: Key themes

## Acting together

Promoting broader ownership of health and safety in Great Britain

## Supporting small employers

Giving SMEs simple advice so they know what they have to do

## Tackling ill health

Highlighting and tackling the costs of work-related ill health

## Keeping pace with change

Anticipating and tackling new health and safety challenges

## Managing risk well

Simplifying risk management and helping business to grow

## Sharing our success

Promoting the benefits of Great Britain's world-class health and safety system

# Sector plans

- **19 Sectors**

one of which is

- **Public services**

within which sits

- **Health & Social Care Sector Team**

# Public Services Plan

## The three priority areas

- Reducing the high levels of ill health from work-related stress and MSDs
- Tackling specific safety issues in the high-hazard activities, such as realistic training in the military
- Maintaining established standards as service provision becomes fragmented and new forms of delivery emerge

# Consultation

- Publish sector plans and health and work strategy in draft
- Engagement with stakeholders in Q4 using :
  - online
  - roadshows
  - existing events

# Health and social care sector

Recognise that Sector Plan is high level, so keen to engage with you on what else we should be considering in our own health and social care sector team implementation plan

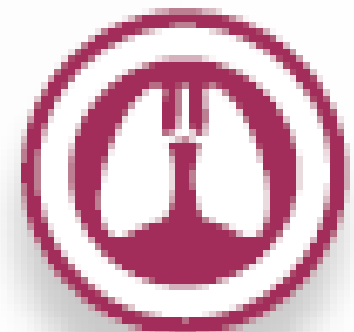

# Health and work strategy

- Stress and mental health
- MSDs
- Occupational lung disease

# Open Discussion - What Next?

- Please have your say!
- What can HSE do for you?
- What can you do for HGBWW (or H&S improvements or HSE)?
