Construction Industry Advisory Committee (CONIAC)
Tackling Ill Health Working Group

Statement of Intent

Peter Crosland

Construction Industry Advisory Committee (CONIAC)

Tackling Ill Health Working Group

Highlighting and tackling the costs
of work-related ill health

#HelpGBWorkWell

AIMS

- The aims of the Tackling Ill Health Working Group (TIHWG) is to both reduce the potential for creating harm to the construction workforce and to reduce the incidence of occupational ill health. Thereby reducing the overall cost of ill health within the construction industry and improving the health of the UK construction workforce.
