

IPD – route to Chartered status

Route to Chartered status

???? N. Ireland Branch

How does IPD work

Initial Professional Development

- The cost to register for IPD is £160.00.
- Once you have registered for IPD online account will be activated within 24 hours.

Member has up to 2 years to complete the assessment process.

- Skills Development Portfolio (SDP) and/or the Electronic Open assessment exam (EOA)
- CPD audit
- Peer Review Interview

The process you complete through the IPD process will depend on the qualification you have completed to become a Graduate member.

Why become a Chartered member?

- Businesses, employers and recruitment consultants look for professionals with CMIOSH status.
- Employers know that when they work with a Chartered Safety and Health Practitioner they're dealing with someone who is at the top of their profession.
- Chartered status will help you:
 - Improve your ability to influence decision-makers
 - Work on an equal footing with other professionals
 - Increase your future employability

IPD process

Skills Development portfolio

- Evidence- based assessment process similar to an NVQ
- Produced online via MYIOSH-MYIPD
- Members choose seven criteria from the five elements
- Members upload evidence of their work electronically
- System will provide guidance on minimum requirements
- Evidence can go back up to two years

IPD process

Skills Development portfolio

- Each criterion requires:
 - An outline or summary of proposed work and intended outcomes
 - An activity log
 - Indexed evidence
 - A reflective account
- Criteria can be submitted individually
- Two to three weeks for assessment.

IPD process

Electronic Open assessment exam

- You must register for the exam date you require
- The EOA runs each month, apart from the following months;
 - April
 - June
 - December
- The exam period is 14 days – you will have 7 days to complete the exam
- Two parts to the exam
 - Part A – 48 multiple choice questions marked online, 3 hours to complete the exam
 - Part B – two scenario-based questions 700 word count on each question marked by an examiner

IPD process

Electronic Open assessment exam

- If you pass Part A you can attempt Part B
- If you fail Part A, you must re-register and try Part A again
- If you fail Part B, you must re-register but you do not have to re-take Part A again
- Maximum of four attempts will be allowed

IPD process

Final stages to becoming a Chartered member
