

# How to edit co- brandable posters

# Co-brandable posters

We have created some simple co-brandable posters to help you promote courses that you offer to your learners. You will find two formats on the website, PDF and word documents. Covering three course collections and two individual courses.

Everyday safety collection  
Construction safety collection  
Fire safety collection

Managing Safely® Course  
Working Safely® Course

We have pre-populated each poster with dummy info (Andrew Trainer at ABC Training), which can simply be replaced with your own trainer details.

## Editing PDFs

If you have Adobe PDF editor can click 'edit' at the top left and all the text becomes available to click and edit.

Your trainer logo can also be edited by simply clicking on this as show below

## Editing word documents

If you don't have Adobe PDF editor we have put all this information into word documents, simple click on the editable section and you will be able to edit the text and change the logo.

**Managing Safely®**

The leading health and safety course for managers worldwide.

**You'll learn how to:**

- understand your responsibilities for safety and health
- assess and control risks and hazards
- investigate incidents
- measure your safety and health performance

**Your trusted IOSH Training Provider:**

## Getting in touch

If you have any questions regarding these posters, please get in touch with your account manager or send an email to [business@iosh.com](mailto:business@iosh.com).

IOSH is the Chartered body for health and safety professionals. With over 50,000 members in more than 130 countries, we're the world's largest professional health and safety organisation.

We set standards and support, develop and connect our members with resources, guidance, events and training. We're the voice of the profession and campaign on issues that affect millions of working people.

IOSH was founded in 1945 and is a registered charity with international NGO status.
