Stephen Stalker

Kayleigh Joyce

IOSH is the Chartered body for health and safety professionals. With more than 47,000 members in over 130 countries, we're the world's largest professional health and safety organisation.

We set standards, and support, develop and connect our members with resources, guidance, events and training. We're the voice of the profession, and campaign on issues that affect millions of working people.

IOSH was founded in 1945 and is a registered charity with international NGO status.

## From the Chair -

### Vision Statement

Our people are our most valuable assets, making safety a core value. The IOSH North West District will work with and support all companies within our area to ensure we have commonality throughout our District in regards to Health, Safety, Environmental and Sustainability management.

### Mission Statement

Our mission statement is made of 6 Core Values.

- To support all companies and business that attends the IOSH meetings.
- To share Best Practices, Innovations, Policies & Procedures,
- To give Health the same amount of publicity as Safety,
- To develop and mentor up and coming practitioners,
- To support other IOSH Branches/Districts
- To embed the IOSH Code of Conduct as part of our everyday life

Dave McCaul  
Chair

### NOTE:

Meetings are open house and free to attend unless specified where booking is essential.  
Food only provided where stated but refreshments offered at all meetings.

All information is subject to change; please check the microsite for updates and recent news.
