	<b>Name:</b>	YUE Hong Yu	<b>Occupation:</b>	Senior Safety & Environmental Manager	<b>Membership Grade:</b>	CMIOSH
	<b>Academic &amp; Professional Qualifications:</b>	Master in Engineering Management, Registered Safety Auditor, Registered Safety Officer, Member of Society of Operations Engineers, Member of Chartered Association of Building Engineers, Member of SEE- Chartered Environmentalist.				
<b>7</b>	<b>Election Statement:</b>	I have over 26 years of experience in engineering and safety field. At the start of my career, I worked as an engineer for an engineering firm for designing and installation of corrosion control system. In 1993, I changed to work on occupational safety and health as a safety supervisor. I started to be aware of the need to change other people's mind setting on safety before they would prepare to accept the change towards safety. I then acquired the Maser in Engineering Management to enable me to develop my engineering management skills to support my further development and expertise on safety. I am now working as a Senior Safety and Environmental Manager for a major contractor. I would like to nominate myself to act as an Executive Committee member so that I can work on a much wider scope on a Hong Kong territory-side basis and share my experience with others to help to facilitate the safety field development.
