IOSH is the Chartered body for health and safety professionals. With more than 40,000 members in 80 countries, we're the world's largest professional health and safety organisation.

We set standards, and support, develop and connect our members with resources, guidance, events and training. We're the voice of the profession, and campaign on issues that affect millions of working people.

IOSH was founded in 1945 and is a registered charity with international NGO status.

NORTHERN IRELAND BRANCH

Branch Programme 2019/2020

The famed Royal Portrush Golf Club

Northern Ireland Branch

A warm welcome to all new and existing members. Thank you for your support in 2018-2019. We look forward to your continued support for 2019 -2020.

The NI Branch will continue our work in line with the IOSH WORK 2022 Strategy over the year ahead and beyond. We have an exciting programme of events to look forward to and are delighted to collaborate with various groups including HSEni, WPHLG, Build Health and NISG as we strive to improve health and wellbeing of people in work.

We all have a common goal – to educate people at all levels in all industries about health and safety and thus improve standards in the workplace.

We still have a lot of challenges in relation to health and we also never lose sight of the need to reduce our workplace fatalities and serious injuries.

Our committee our here to support you, speak on your behalf and represent you on the Global IOSH circuit.

We ask you to support our events, get involved with us and offer suggestions for topics you would like to see covered at a local level.

I look forward to seeing you all over the next year.

Emma Gilmore CMIOSH Chair
