

**Environmental and
Waste Management
Group**

EWMG

Presentation to East Midlands Branch 19 September 2019

Veronica Scarano

Deputy Communications Coordinator – EWMG

Dave West

Liaison Officer – EWMG

IOSH Groups

- IOSH has 18 industry-specific groups
- IOSH-publicised benefits of joining a Group:
 - Invitations to regular networking events, seminars and site visits
 - The chance to contribute to legal consultations that have a direct impact on your industry
 - Opportunities to join campaigns and projects that champion high standards in your industry
 - Help with developing and maintaining your professional status.

EWMG Strategy

Enhance

The EWMG will:

- Support IOSH Members, Branches & Groups, wherever they are in the world
 - Engage with external organisations to promote the positive benefits of health, safety and environmental management within the workplace
 - Seek to support IOSH's range, and distribution, of products and services.
 - Keep up with changes in information / communications technology and related applications for the benefit of IOSH Members.
- 

EWMG Strategy

Collaborate

The EWMG will:

- Engage with external organisations to promote the positive benefits of health, safety and environmental management within the workplace.
 - Continue to protect and promote health and wellbeing.
- 

EWMG Strategy

Influence

The EWMG will:

- Seek to increase Group Membership, by promoting and providing to Members a range of value opportunities and methods to engage with and support the Institution's wide range of activities.
 - Support the professional development of Members.
-
