The screenshot shows a Zoom meeting interface. On the left, a presentation slide titled "Empathic Leadership" is displayed. The slide features the NZISM logo (New Zealand Institute of Safety Management) and four images: a volcanic landscape, a woman's portrait, a woman in a green headscarf, and a woman in a white coat. A "Video" icon is visible below the images. On the right, a video feed shows Greg Dearsly, a man with glasses and a beard, wearing a blue checkered shirt. Behind him is a banner for "FIRST 4 SAFETY Workplace Safety". At the bottom of the Zoom window, a "Zoom Group Chat" window is open, showing a discussion about media and government. The chat window includes a "Security" icon, a "Participants" count of 25, and a "Chat" icon.

and what support did they get from the market?

From **Tony Cox** to **Everyone**:  
How "corrosive" has the media been in in obscuring the messages being given?

From **Alan Plem** to **Everyone**:  
The Government being 'One source of Truth' - that's an interesting concept, anathema in UK! As is 'Empathy'!

From **Tim Birkin** to **Everyone**:  
Very true Alan
