The Movement of People

THE MOVEMENT OF PEOPLE

Workstream of the Construction Leadership Council Brexit Working Group has this week published guidance for companies on how to manage the movement of people and workers into the UK from 1 January 2021.

New Year's Eve Marks the end of the transition period, following the UK's decision to leave the European Union.

From January 1 2021, UK employers will have to abide by new rules when recruiting workers from outside of the UK, including Europe.
