We deliver performance coaching in
risk and reward

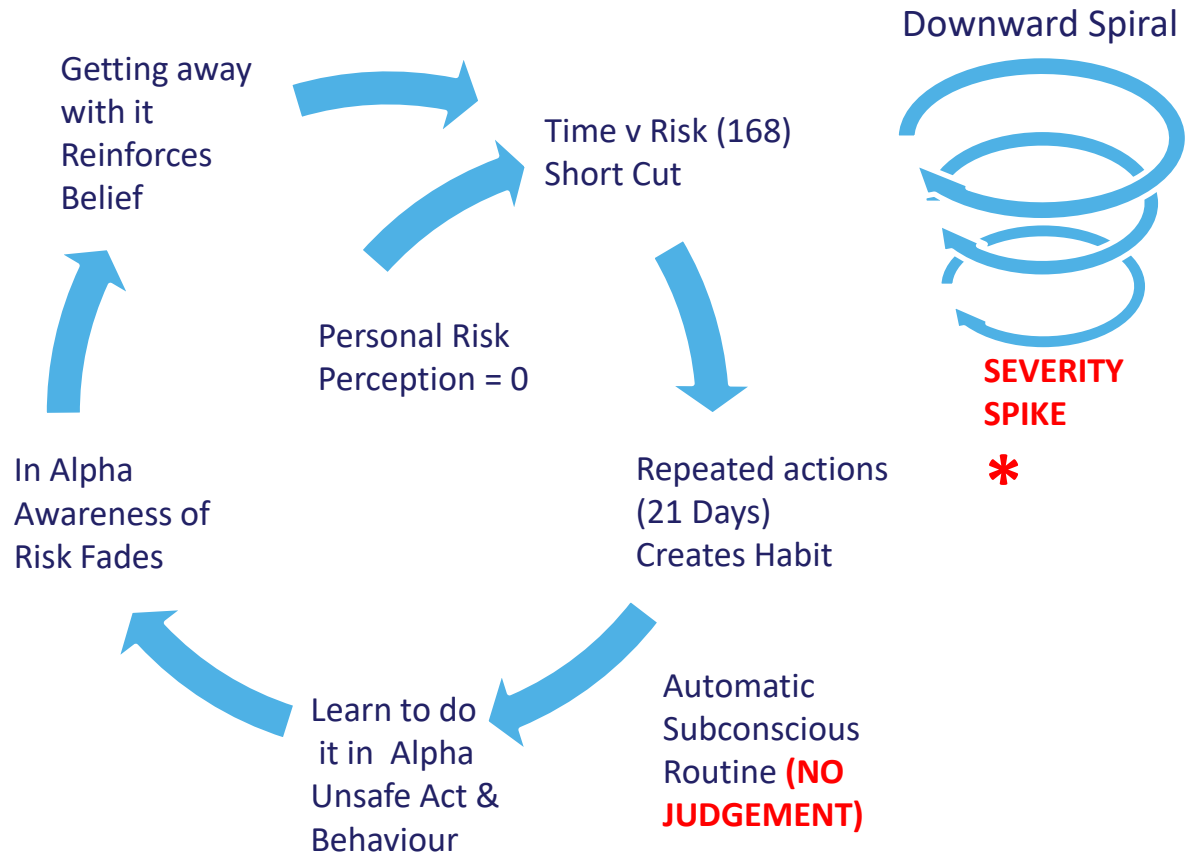

setters

- **Are we managing the statistic or managing the risk?**
- **What level of engagement do we have with the people at risk?**
- **How can Leaders, Managers and Supervisors influence a step change in thinking concerning health, safety and wellbeing?**

Beyond Zero Mindset

setters

‘The ways of thinking cannot be changed unless the concrete signs given by the chain of command evolve.’

— ref. Institute of an industrial safety culture (IISC)

You get the culture you deserve as a
leader, manager, supervisor.

It's a Choice!
