About IOSH

The Institution of Occupational Safety and Health (IOSH) is the Chartered body for health and safety professionals. With 50,000 members in more than 130 countries, we're the world's largest professional health and safety organisation.

We set standards and qualifications, and support, develop and connect our members and others with resources, guidance, events, and training. We're the voice of the profession and campaign on issues that affect millions of working people.

IOSH was founded in 1945 and is a registered charity with international NGO status.

About IOSH Training

IOSH Training is the specialist learning delivery arm of IOSH Services Limited (ISL). ISL is a separate commercial entity that invests for the future, generating a surplus which is fully gift-aided to fund IOSH charitable activities.

ISL activities are aligned to IOSH's charitable objects, providing training, education and consultancy support services to organisations and individuals seeking to enhance their knowledge and competence in OSH.
