- 10** When you use this LMS you will need to enter personally identifiable information such as your name, address, contact details, photo identification and video clips. Any personal information you give to us will only be used by IOSH for the administering of this course product. IOSH doesn't sell or share personal information with third parties unrelated to it.
- 11** The LMS should operate as expected on your device. IOSH will not be liable for any data loss suffered by the failure of the LMS on all, or part, of the device however it is caused.
- 12** While the information contained in the LMS has been compiled from sources believed to be current and reliable, IOSH makes no warranties about the accuracy, reliability, completeness or timeliness of such information and will not be liable for any loss or damage suffered from any error or omission which may occur.
- 13** The contents of the LMS don't constitute advice, and reliance upon such content is entirely at the user's own risk.
- 14** Content will need to be uploaded to the LMS by you. IOSH makes no warranties and accepts no liability for such material.
- 15** IOSH shall not be liable for any damages arising from the use of, or inability to use, the LMS or any of its contents. Whilst precautions are taken, IOSH does not guarantee that the LMS is free of infection by viruses or anything else that may be harmful or destructive. If use of the LMS results in the need for servicing or replacement of equipment or data, IOSH is not responsible for those costs.
- 16** IOSH will, upon notification, consider removing any material open to legal objection while it is being investigated.
- 17** Unless expressly stated otherwise, all information contained in the LMS is owned or licensed by IOSH. The information and content contained on the LMS, such as text, graphics, images and other such material ("Material"), are protected (without limitation) by copyright, database rights, registered trade marks, passing-off rights or rights protected under unfair competition laws, all of which may be protected under both English and foreign laws ("Intellectual Property Rights"). Unauthorised use of the Material by you may violate IOSH's Intellectual Property Rights.
- 18** Where IOSH publishes content on behalf of, or written by, a third party (for example another Association), all responsibility for accuracy and liability of that content belongs to the third party.
- 19** This LMS may provide links to websites that are not under the control of the Institution. IOSH does not accept any responsibility or liability for the privacy policies, content or practices of these websites. If you decide to access linked third-party websites, you do so at your own risk. Unless specifically stated otherwise, IOSH does not endorse any of the products or services advertised or available on any of the sites it links to. The law set out in non-UK websites may not be the same as the law in the UK legislation.
- 20** IOSH cannot accept any responsibility for information on websites that we don't manage but which may refer to IOSH.

About IOSH

The Institution of Occupational Safety and Health (IOSH) is a global Chartered body. The largest membership organisation for health and safety professionals worldwide. We connect our members with resources, guidance, events, and training, and we're the voice of our profession, campaigning on issues that affect millions of working people.

As a qualifications Awarding Organisation, a developer of training, and an advocate for positive transformation, we seek to build excellence in our profession, drive action from everyone who can influence occupational safety and health standards and ensure that protecting people is at the heart of sustainability.

IOSH was founded in 1945 and is a registered charity with international NGO status.

About IOSH Training

IOSH Training is the specialist learning delivery arm of IOSH Services Limited (ISL). ISL is a separate commercial entity that invests for the future, generating a surplus which is fully gift-aided to fund IOSH charitable activities.

ISL activities are aligned to IOSH's charitable objects, providing training, education and consultancy support services to organisations and individuals seeking to enhance their knowledge and competence in OSH.
